Kingdom of the Creatives Have been exploring 'The Arts' in its many different forms, from paintings, sketching, sculptures and sketches to fashion design, ceramics, architecture, dance, theatre and film. We also had a go at our own sketches – drawing an old man!

The Kingdom of the Superstars

have been experimenting this week! They had to try and make a pirate ship using foil that would float on water. They then made predictions about how many marbles/cubes their ship could carry before it sank. The children made their own predictions and then tested their ideas. Some ships held up to 12 cubes!

Kingdom of the Monkeys have been exploring the exploding lunch bag and how to make changes to their experiment to get bigger results. They have made dream catchers with Mrs Patterson.

Kingdom of the Kool Kidz started their week with a beautiful Good Shepherd mass from St. Chad's Cathedral. We have created a landscape based on our English topic and we have been practising our times tables too.

Magical Kingdom have had a fun packed week working around the story "The Disgusting Sandwich". We wrote our own set of instructions and made our own disgusting sandwiches!

Ben and Holly's Little Kingdom

have been making some disgusting sandwiches and we might have a party soon!! We've also done some science experiments. We have learnt about one of the miracles by Jesus- How he turned water into wine.

Baked Potato Bubble have been busy adding a pocket and some puppets to their 'Three Little Pig Lapbooks.

Jelly Tots Bubble have been very busy this week. We have been reading the story 'Aliens Love Underpants'. The children designed their own alien and created their own underpants by mixing different paint together. The children have also been matching numeral to quantity using numicon.

We would like to thank everyone who took part in our Romero Parent Survey. Your input is greatly valued.

Worker of the Week

<u>Bubbles</u>	<u>Child</u>	
Kingdom of the Creatives	Darcy	Has worked with a calm perseverance to use the ICT collect evidence for her Arts Project. She encountered several difficulties but resiliently continued to complete her work – Well done Darcy!
Kingdom of the Superstars	Ella	For writing super sentences independently this week.
Ben and Hollys Kingdom	Ava Jade	Beautiful story writing. She is a very caring person which is a lovely quality to have. Well done Ava Jade.
Magical Kingdom	Oscar	For settling well into our Magical Kingdom. Has shown amazing maturity and very keen to work.
Kingdom of the Monkeys	Courtney	For persevering even though she found it tricky.
Kingdom of the Kool Kidz	Mia	For showing great enthusiasm in her music lesson.
Baked Potato's Bubble	Joshua	For his fantastic handwriting. Well done!
Jelly Tots Bubble	Eva	For using lovely manners when talking to the adults and children.

Year 5 Moving Up <https://romeromac.com/y5movesup/>

We have been delighted with the response of our pupils attending our two day Transition Camp to Year 6 on July 15th and July 16th. We have posted some FAQs on our Romero Page which can be found on the link above. Please be advised that we are welcoming approximately half of Year 5 from across all seven schools. To ensure children stay in their bubbles (within their school), it would help us greatly if children wear their school uniform (whatever fits from either Summer or Winter uniform) so we can identify groupings at a glance. We do extend leeway with uniform as we appreciate they may have grown out of somethings, especially footwear, so trainers for these two days is fine. If you have any specific issues, please email admin@romeromac.com

We will provide full information next week (including start and end times, lunchtime arrangements and activity information) so you know the organisation of the two days.

Please be advised that we close at **9pm today** so we can finalise the Risk Assessment with numbers and organise the groups. The survey will be closed and no responses will be received after this time so we can finalise the extensive plans that will be required.

Mrs Quinn, CSEL

This year's Summer Reading Challenge is heading online with the Silly Squad – but they need your children's help.

As they can't see you in our libraries at the moment, Coventry Library Service are asking local children (with their parents/school's permission) to share short book reviews with Coventry Libraries online.

These can be short videos, up to around one minute long, or pictures of children with their books and a review.

This year's theme is Silly Squad, so we'd especially love to hear about the books that have made children laugh and smile.

Reviews can be shared with us on Facebook <https://www.facebook.com/covlibraries/> or on Twitter @covlibraries using the hashtag #covsrc

You could also send them to Anne McFadden at anne.mcfadden@coventry.gov.uk and they could share them on our Summer Reading Challenge web pages.

To take part in the Summer Reading Challenge, head to www.sillysquad.org.uk

Arbor App

If you have not already done so please can you open your welcome email from **Arbor** sent last week from the school and download the app. We will be going live on 1st July 2020.

The Arbor app replaces Parentmail so it is very important that you download this app as all communication will come through Arbor.
