SUMMARY OF KEY FINDINGS FOR PARENTS AND PUPILS

This is a Good Catholic school because:

- The school leaders and governors have an exceptionally strong vision for the core purpose of Catholic education, which is promoted in all aspects of school life.
- The physical environment, policies and practices of the school are proudly Catholic. They ensure that each pupil is treated as a child of God, who has a sense of service and of their calling to become the person God intended them to be.
- Standards in Religious Education are good and its curriculum is designed to secure effective outcomes for all pupils. Teaching is at least good and responds to the needs of the learners in order to achieve good outcomes.
- There is ample opportunity for Collective Worship and a good range of opportunity for pupils to plan and lead times of prayer using a variety of approaches.

It is not yet Outstanding because:

- The school has embarked on a transforming journey in relation to Catholic Life and, whilst significant progress has been made, new initiatives need to be in place for longer to achieve their full impact.
- Achievement in Religious Education at key stage 4 have fallen slightly below the Diocesan average.
- The new approach to a knowledge-based curriculum has yet to be fully embedded.
